

## **Piotr J. Gorecki, M.D., F.A.C.S., F.A.S.M.B.S**

- Career Objective:** *Metabolic, Bariatric and Foregut Surgery, Advanced Laparoscopy, Academic Surgery*
- Current Position:** Associate Professor of Clinical Surgery  
*Weill Medical College of Cornell University*
- Chief, Division of Laparoscopy, Metabolic and Bariatric Surgery  
 New York-Presbyterian Brooklyn Methodist Hospital  
 Associate Professor of Clinical Surgery  
 Clerkship Director of Medical Student Program  
*New York-Presbyterian Brooklyn Methodist Hospital, Brooklyn, New York*  
*July 2001 – Current*
- Director of Student Clerkship  
 Associate Professor of Surgery  
*St Georges University School of Medicine*  
*2005 – June 2017*
- Director of Student Clerkship  
 Clinical Associate Professor of Surgery  
*Ross University School of Medicine*  
*2011 – June 2016*
- Past Position:** Cancer Liaison Physician - Commission on Cancer  
 New York Methodist Hospital  
 Jan 2002 - July 2004
- Assistant Professor of Surgery  
*Clinical Campus, State University of New York,*  
*Health Science Center at Stony Brook*  
 Attending Surgeon and Director of Advanced Laparoscopy  
 Director of Heartburn and Dyspepsia Clinic  
 Director of Gastrointestinal Motility Lab  
*Nassau University Medical Center, East Meadow, NY.*  
*July 1999 –June 2001*
- License:** *New York State License # 208502*
- Fellowship:** Minimally Invasive Surgery - *July 1998 to June 1999*  
*Mayo Clinic - Jacksonville, Florida*  
 Program Director - Dr. Ronald Hinder
- Residency:** Accredited Program in General Surgery - *1993 to 1998*  
*The New York Methodist Hospital, Brooklyn NY*  
 Affiliated with Cornell University College of Medicine  
 Program Director - Dr. Leslie Wise
- Education:** *Medical School:*  
*Nicholas Copernicus Academy of Medicine*  
 Krakow, Poland 1984 to 1991, *MD Degree* July 1991

**Postgraduate Internship:** *University Hospitals of the Nicholas Copernicus School of Medicine* Krakow, Poland 1991 to 1992  
*ECFMG Certificate No 0-481-752-4, June 1993*

**Boards:** *Diplomate of the American Board of Surgery*  
*Written board: 1998 passed*  
*Oral board: 1999 - passed*  
*American Board of Surgery - Recertification 2009 - passed*

**Relevant Experience:** *Advanced Interventional Endoscopy*  
*SAGES – Hands on Course*  
*Salt Lake City, UT, April 2014*

*Single Incision Laparoscopy Course, North Shore/LIJ*  
*Hands on Cadaver Course*  
*Long Island, NY July 2011*

*World Robotic General Surgery Symposium/Course,*  
*Miami, FL June 2011*

*4th International Congress on NOTES*  
*Working group - Training, Credentialing & Guidelines*  
*NOTES Hands on Animal Course*  
*Boston, MA July 2009*

*Ethicon - Realize Band Course*  
*Dallas, TX June 2009*

*International Consensus Summit for Sleeve Gastrectomy*  
*October 26, 2007 New York, NY*

*2008 Annual Minimally Invasive and Bariatric Surgery Symposium*  
*(Phillip Schauer MD - Course Director - Annual Meeting in February)*  
*2001, 2002, 2003, 2004, 2005, 2006, 2007, 2008, 2009*

*Laparoscopic Bariatric Surgery Visiting Fellowship*  
*Valley Surgical, Fresno CA – Dr Kelvin Higa, December 2003, December 2005, December 2007*

*Bariatric Surgery in Adolescents*  
*SAGES, Los Angeles, March 2003*

*Lap-Band Boienterics Course*  
*Bronx, NY, March 2002*

*Laparoscopic Colorectal Course*  
*SAGES, New York, March 2002*

*Laparoscopic Bariatric Workshop*  
*ASBS, Memphis, May 2000*

*Esophageal Function Testing – Postgraduate Course*  
*SAGES, Atlanta, April 2000*

***Laparoscopic Bariatric Workshop***  
Mount Sinai Hospital, September 1999

***Laparoscopic Skills Course***  
North Shore University Laparoscopic Center at Syosset, September 1999

***Laparoscopic Colorectal Workshop***  
Mount Sinai Hospital, April 1998

***Microsurgery Course***  
Henry Ford Hospital, Detroit, 1990

***Surgery Clinical Clerkship and Research - The Animal Model for  
Evaluation & Treatment of Hypertrophic Scars and Keloids***  
Henry Ford Hospital, Detroit, Michigan - December 1989 to June 1990

***Courses of Foreign Languages***  
English, German, Latin, Russian

**Awards:** *Best PGY - 1 surgical resident award, NYMH 1994*  
*Best PGY - 3 surgical resident award, NYMH 1996*  
*Best resident research presentation award, NYMH 1997*  
*Best chief resident award, NYMH 1998*  
*Top Gun award – laparoscopic skills boot camp, 1999*  
*Bariatric Surgery Center of Excellence Designation, ASMBS Oct 2005*  
*Renewed June 2009, ACS 2014*

**Memberships:** American Medical Association, 1995  
American College of Surgeons - Fellow, 1996  
Society of Critical Care Medicine, 1997  
Society of the American Gastrointestinal Endoscopic Surgeons, 1997  
Priestley Society at Mayo Clinic, 1999  
Mayo Alumni Association, 1999  
Surgical Infection Society, 2000  
American Society for Metabolic and Bariatric Surgery, 2000, Fellow  
The Society of Laparoendoscopic Surgeons, 2001  
The Society of Surgery of the Alimentary Tract, 2001  
Brooklyn Surgical Society, 2003  
New York Surgical Society, 2005  
International Pediatric Edosurgery Group (IPEG), 2014

**Hobbies:** Foreign Languages, History of Art, Photography, Astronomy  
Sport: Skiing, Tennis, Swimming (Licensed Lifeguard)

*Piotr Gorecki MD, Alok Agarwal MD, Elizabeth Lax MD, Anthony Tortolani MD, Wojciech Gorecki, MD*  
*Surg Endosc* 2012;26:S386

48. *The optimal technique of gastrojejunostomy in laparoscopic gastric bypass may be a hand sewn anastomosis. Comparison of outcomes and costs.*

*Piotr Gorecki, MD, Krystyna Kabata PA, Srikanth Eathiraju, MD, Suraj Parekh MD, Anthony Tortolani, MD*  
*Surg Endosc* 2012;26:S385

49. *Morbidly Obese Men Showed Decreased Testosterone Levels and Sexual Quality of Life Compared with Age Adjusted Men in the Community.*

*Taehee Kwak, MD, Homayoun Pournik, MD, Krystyna Kabata, RPAC, Anthony Tortolani, MD, Piotr Gorecki, MD.*  
*Surg Endosc* 2012;26:S368

50. *Bariatric Surgery Increases Testosterone and Improves Male Sexual Function. A Pilot Study of Thirteen Morbidly Obese Men.*

*Taehee Kwak, MD, Homayoun Pournik, MD, Krystyna Kabata, RPAC, Anthony Tortolani, MD, Piotr Gorecki, MD*  
*Surg Endosc* 2012;26:S383

51. *Emergent Laparoscopic Sleeve Gastrectomy as a treatment Modality For Gastric Necrosis Secondary to Prolapse of the Gastric Band*

Minal Joshi MD, Srikanth Eathiraju MD, Krystyna Kabata PA, Piotr Gorecki, MD  
*Surg Endosc* 2013;27:S425, 2014 CRSLS;1-4

52. *Multiple port site metastases after laparoscopic gastrectomy for cancer: a case report and literature review.*

Jambhekar A, Chery J, O'Laughlin J, Gorecki P *Surg Endosc.* 2014 Apr; 28 (1 Suppl): S347.

53. *Acute appendicitis in the setting of laparoscopic adjustable gastric banding: a case report and literature review.*

Chery J, Maselli A, Kabata K, Tortolani A, Gorecki P *Surg Endosc.* 2014 Apr; 28 (1 Suppl): S388

54. *Intra-abdominal partitioning of the laparoscopic sleeve gastrectomy remnant optimizes the specimen extraction ergonomics and postoperative pain and is an attractive technique in teenage patients.*

Piotr Gorecki MD, Josue Chery MD, Jennifer Lee MD, Anthony Tortolani MD, Wojciech Gorecki MD

*Journal of Laparoendoscopic & Advanced Surgical Techniques* 2014; 10:735-737

55. *Value of routine contrast radiograms following laparoscopic gastric bypass and sleeve gastrectomy* Piotr Gorecki MD, Amani Jambhekar MD, Krystyna Kabata PA, Ryan Lindborg MD, Anthony Tortolani, MD *Surgery for Obesity and Related Diseases, Vol 11 (November-December 2015), Issue 6, Supplement, Page S107*

56. *Laparoscopic Roux-en-Y Gastric Bypass: Long Term Results with at Least 10-year Follow-up*

Piotr Gorecki, MD, Obaida Batal, MD, Krystyna Kabata, PA, Christine Najjar, MS, Anthony Tortolani, MD *Surgical Endoscopy* 2016 Vol:30/Page:S458

57. *Effect of Ry Gastric Bypass Induced Weight Loss on the Dynamic of C-Reactive Protein Levels: A Prospective Analysis with a Long Term Follow Up* Piotr Gorecki

MD, Kendra Black MA, MS, Krystyna Kabata PA, Anthony Tortolani MD  
*Surgical Endoscopy* 2016 Vol:30/Page:S457

58. *Long-Term Analysis of Risk for Anemia in Laparoscopic Roux-En-Y Gastric Bypass Patients with at Least 5 -Year Follow Up.*

Piotr Gorecki MD, Christine Najjar MS, Krystyna Kabata PA, Anthony Tortolani MD  
*Surgical Endoscopy* 2016 Vol:30/Page:S447

59. *Structured Early Ambulation Protocols and Post-Operative Pain Following Laparoscopic Sleeve Gastrectomy - Is There a Relationship?*

Brian Housman, M.D., Prasanthi Sunkesula, M.D., Krystyna Kabata, PA, Anthony Tortolani M.D., Piotr Gorecki, M.D.

*Surgical Endoscopy* 2016 Vol:30/Page:S484

60. *Readmission following laparoscopic sleeve gastrectomy.*

Amani Jambhekar, MD, Amy Maselli, MD, Ryan Lindborg, MD, Krystyna Kabata, PA, Anthony J. Tortolani MD, Piotr Gorecki, MD *JSLS* 2016; 20:1-6

61. *Demographics and socioeconomic status as predictors of weight loss after laparoscopic sleeve gastrectomy* Amani Jambhekar, MD, Amy Maselli, MD, Shawn

Robinson MD, Krystyna Kabata, PA, Piotr Gorecki, MD *Sug Endosc, Submitted, Nov 2016*

## Book Chapters:

1. Gorecki P. The role of diagnostic and therapeutic laparoscopy in emergency abdominal surgery. *In: Schein M, ed. Schein's Common Sense Emergency Abdominal Surgery. Berlin Heidelberg: Springer Verlag, 2000:335-360*
2. Gorecki P. Gastro-esophageal reflux Disease (GERD). *In: Holzheimer RG, Mannick JA, ed. Surgical Treatment – Evidence-Based and Problems-Oriented, Munchen: W Zuckschwerdt Verlag GmbH; 2001:22-33*
3. Gorecki P. Laparoscopic hernia repair. *In: Schein M, Wise L, ed. Controversies in Surgery. Berlin Heidelberg: Springer-Verlag; 2001: 266-274*
4. Gorecki P. The role of laparoscopy in source control. *In: Schein M, Marshall JC, ed. Source control. Berlin Heidelberg: Springer Verlag; 2001:350-357s*
5. Gorecki P. The role of diagnostic and therapeutic laparoscopy in emergency abdominal surgery. *In: Schein M, ed. Schein's Common Sense Emergency Abdominal Surgery. Berlin Heidelberg: Springer Verlag, 2004:439-448*
6. Gorecki P. The role of diagnostic and therapeutic laparoscopy in emergency abdominal surgery. *In: Schein M, ed. Schein's Common Sense Emergency Abdominal Surgery. Berlin Heidelberg: Springer Verlag, 2008:439-448*
7. Gorecki P. The role of diagnostic and therapeutic laparoscopy in emergency abdominal surgery. *Third Edition In: Schein M, ed. Schein's Common Sense Emergency Abdominal Surgery. Berlin Heidelberg: Springer Verlag, 2010:591-599*

## Presentations:

1. *Current Practice of Administration of Antibiotics in Patients Undergoing Commonly Performed Surgical Procedures.*  
Oral presentation at 17<sup>th</sup> Annual Meeting of Surgical Infection Society  
Pittsburgh, May 1997
2. *Gallstone Pancreatitis - Current Management and Controversies.*  
Surgical Ground Rounds - Mayo Clinic Jacksonville, August 1998
3. *Surgeons and Infectious Disease Specialists -Different Attitude Towards Common Abdominal Surgical Infections.*  
Poster presentation at the Annual ACS Meeting – Orlando, October 1998
4. *Development of Knee Contracture Secondary to Subfascial Endoscopic Perforator Vein Surgery.*  
Poster presentation at the Annual ACS Meeting – Orlando, October 1998
5. *Pancreatic Pseudocysts – Current Management.*  
Surgical Ground Rounds - Mayo Clinic Jacksonville, November 1998
6. *Emergency Laparoscopy- Current Application and Management.*  
Surgical Ground Rounds - Mayo Clinic Jacksonville, May 1999

7. *The Surgical Outcome of Laparoscopic Antireflux Surgery in Patient with Endoscopy Negative Gastroesophageal Reflux.*  
Poster presentation at DDW – Orlando, May 1999
8. *Gastroesophageal Reflux Disease. A Role of Surgery.*  
AORN Meeting. Ponte Vedra Beach - May 17, 1999
9. *Current Management of Acute Gastrointestinal Bleeding*  
Surgical Ground Rounds – NCMC, September 1999
10. *Management and Controversies of Gastroesophageal Reflux Disease.*  
Surgical Ground Rounds – NCMC, September 1999
11. *Gastroesophageal Reflux Disease – Nissen Fundoplication.*  
Nassau Surgical Society – East Meadow NY, December 1999
12. *Hernia – Diagnosis and Management – Nassau County Correction Facility Medical Ground Rounds – East Meadow NY, January 2000*
13. *Redo Laparoscopic Heller Myotomy – Is It Feasible?*  
Gorecki P, Bammer T, Libbey J, Hinder R  
SAGES Annual Congress - Atlanta GA, April 2000
14. *Dilatation After Fundoplication: Timing, Frequency, Indication and Success.*  
Malhi-Chawla N, Gorecki P, Bammer T, Hinder R, DeVault K  
Digestive Disease Week, San Diego, CA, May 2000
15. *Diagnostic and Therapeutic Laparoscopy for Trauma. A Technique for Safe and Systematic Abdominal Exploration*  
Gorecki, P, Cottam D, LD Angus G, Shaftan G  
SAGES Annual Congress - St. Louis, April 2001
16. *Laparoscopic Exploration for Penetrating Trauma of the Pancreas*  
Kalimi R, Gorecki P, LD Angus G, Shaftan G  
SAGES Annual Congress - St. Louis, April 2001
17. *Laparoscopic Repair of Traumatic Bladder Rupture*  
Cottam D, Gorecki P, Weltman D  
SAGES Annual Congress - St. Louis, April 2001
18. *Unilateral lower extremity compartment syndrome following laparoscopic Roux-en-Y gastric bypass*  
Gorecki P, LDG Angus, Cottam D  
IFSO Annual Meeting, Chania, Greece September 2001
19. *Laparoscopic Surgery – Where Do We Stand?*  
Medical Groud Rounds – NYMH, May 2002
20. *Minimally invasive surgery for abdominal malignancy*  
Gorecki P  
Symposium - New Frontiers in Medicine - NYMH, September 2002
21. *Laparoscopic Roux-en-Y Gastric Bypass. Preliminary results of initia 100 patients.*  
Gorecki P  
Surgical Ground Rounds, NYMH, March 2003

22. *Prophylactic Inferior Vena Cava (IVC) Filter Placement in Morbidly Obese. A Case Report of Caval Thrombosis*  
Chopra AK, Gorecki PJ, D'Ayala M, Angus LDG, Wise L  
2003 Annual Meeting of the American Society for Bariatric Surgery, Boston, MA, June 19, 2003.
23. *Emergent Laparoscopic Reduction of Acute Gastric Volvulus with Anterior Gastropexy.*  
Naim HJ, Smith R, Gorecki P  
Annual Meeting of the Society of Laparoendoscopic Surgeons, Las Vegas, September 2003.
24. *Early Lap-Band Erosion Associated with Colonic Inflammation. A Case Report and review of literature*  
Naim HJ, Gorecki PJ, Wise L  
Annual Meeting of the Society of Laparoendoscopic Surgeons, Las Vegas, September 2003.
25. *Emergency laparoscopy – Why and When?*  
Gorecki P  
Surgical Ground Rounds, NYMH, March 2003
26. *Laparoscopic Roux-en-Y gastric bypass in surgical residency program. The initial results of the first 100 cases.*  
Piotr Gorecki, Lillian Katz, Joseph Naim, Ajay Chopra, Leslie Wise  
SAGES Annual Congress - Denver, CO, April 2004
27. *Management and Controversies of Gastroesophageal Reflux Disease.*  
Surgical Ground Rounds – Nassau University Medical Center, March 2005
28. *Laparoscopic gastric bypass - an effective treatment for complicated GERD. A case report.*  
Piotr Gorecki, Robina Smith, Leslie Wise  
SAGES Annual Congress - Fort Lauderdale, FL, April 2005
29. *Quality of Life, well being and patient satisfaction after a laparoscopic gastric bypass. Prospective analysis of 222 consecutive patients.*  
Piotr Gorecki, Robina Smith, Leslie Wise  
SAGES Annual Congress - Fort Lauderdale, FL, April 2005
30. *Analysis of gastrojejunostomy strictures in 222 consecutive patients undergoing laparoscopic gastric bypass.*  
John Lohlun MD , Piotr Gorecki MD, Won Sohn MD, Rachel Bernstein PA, Leslie Wise MD  
SAGES Annual Congress - Fort Lauderdale, FL, April 2005
31. *Laparoscopic Roux-en-Y gastric bypass. The prospective analysis of the 250 patients.*  
Piotr Gorecki, Adil Cydeli, Rachel Bernstein, PA, Leslie Wise  
IFSO Annual Congress – Maastricht, Holland, August 2005
32. *Laparoscopy for surgical emergencies.*  
Gorecki P  
Surgical Ground Rounds, NYMH, February 2006

33. *Management and Controversies of Gastroesophageal Reflux Disease – an update.*  
Surgical Ground Rounds – Nassau University Medical Center, March 2005
34. *Laparoscopic Gastric Bypass Reduces Foot, Heel and Ankle Pain In Morbidly Obese Patients. A Prospective Analysis of 350 patients.*  
SAGES Annual Congress - Dallas, TX April 2006
35. *Prevalence of H Pylori infection in morbidly obese patients undergoing laparoscopic gastric bypass.*  
ASBS 2006 Annual Congress - San Francisco, CA June 2006
36. *Critical Care Issues In Morbidly Obese: An Analysis of Patients Experiencing Major Complication Following Laparoscopic Gastric Bypass.*  
Piotr Gorecki, MD, Todd F. Huzar, MD, Bashar Fahoum, MD  
SAGES Annual Congress - Dallas, TX April 2006
37. *Does the Non-alcoholic Fatty Liver Disease (NAFLD) Activity Score Correlate with Clinical and Laboratory Data in Morbidly Obese Patients?*  
Kiran Tiriveedhi, MD, Piotr Gorecki, MD, Jonathan Simon, MD, Joshua Fogel, PhD, Rana Khan, MD, Renjy Vattasseril, MD, Maurice A. Cerulli, MD, FACP  
ACG Annual Congress – 2006
38. *Effect of Roux-en-Y Gastric Bypass (RYGB) on Clinical and Laboratory data in Morbidly Obese Patients*  
Kiran Tiriveedhi, MD, Piotr Gorecki, MD, Jonathan Simon, MD, Joshua Fogel, PhD, Rana Khan, MD, Renjy Vattasseril, MD, Maurice A. Cerulli, MD,  
ACG Annual Congress – 2006
39. *Laparoscopic treatment of gastric carcinoid: a case report and review of the literature.*  
Piotr Gorecki, MD  
SAGES Annual Congress - Dallas, TX, April 2006
40. *Laparoscopic reduction and three-point gastropexy may be a preferred technique for management of acute gastric volvulus in high-risk patients.*  
Piotr Gorecki, Paul Perry, Robina Smith, Leslie Wise  
SAGES Annual Congress - Philadelphia, PA, April 2008
41. *Prospective analysis of the resolution of asthma in laparoscopic gastric bypass patients*  
Piotr Gorecki, MD  
SAGES Annual Congress - Philadelphia, PA, April 2008
42. *Quality of life significantly improves after laparoscopic gastric bypass*  
Piotr Gorecki, MD  
SAGES Annual Congress - Philadelphia, PA, April 2008
43. *Quality of life as determined by SF 36 health survey is significantly improved following laparoscopic gastric bypass. A prospective analysis of consecutive 300 patients.*  
Piotr Gorecki, MD  
SAGES Annual Congress - Philadelphia, PA, April 2008
44. *Immediate postoperative ambulation minimizes thromboembolic complications following a laparoscopic gastric bypass. A prospective analysis of 500 patients.*

Piotr Gorecki, MD, Catharine Martone, MD, Marcus D' Ayala, MD  
SAGES Annual Congress - Philadelphia, PA, April 2008

45. *Resolution of Comorbidities Following Laparoscopic Roux-en-Y Gastric Bypass. A Prospective Analysis of 434 Patients.*  
Kevin Cho, MD, Piotr Gorecki, MD, James Rucinski, MD  
SAGES Annual Congress - Philadelphia, PA April 2008
46. *Portal venous gas one year after laparoscopic Roux-en-Y gastric bypass. A case report of a unique pathology.*  
Piotr Gorecki, MD  
SAGES Annual Congress - Philadelphia, PA April 2008
47. *Management of Gastrojejunal Anastomotic Stricture after Laparoscopic Roux- En-Y Gastric Bypass*  
Piotr Gorecki, MD  
Digestive Disease Week, San Diego, CA, May 2008
48. *Unexpected and unusual findings during laparoscopic RY Gastric bypass. How to proceed?* Piotr Gorecki MD, Paul Thodiyil, MD, Teddy Takeuchi, MD, Wise Leslie MD  
SAGES Annual Congress - Phoenix, AZ April 2009
49. *Effect of Surgically Induced Weight Loss on C- reactive Protein Levels: A Prospective Analysis* Piotr Gorecki MD, Udani A MD, Tekeuchi T MD, Kabata, K, Tortolani T MD  
SAGES Annual Congress - Phoenix, AZ, April 2009
50. *Resolution Of Diabetes Mellitus Following Laparoscopic Gastric Bypass. A Prospective Analysis Of 49 Patients.* Piotr Gorecki MD, Paul Thodiyil, MD, Catherine Gribbin MPH, Sabita Moktan MD, Anthony Tortolani, MD  
SAGES Annual Congress - Phoenix, AZ, April 2009
51. *Laparoscopic Appendectomy is as Cost Effective as Open Appendectomy: A Report from a Teaching Community Hospital. Oral Presentation*  
Vadim Nakhamiyayev MD, Lars Galldin M Sc, Mario Chiarello MD, Angela Lumba MD, Piotr Gorecki MD  
SAGES Annual Congress - Phoenix, AZ, April 2009
52. *Wandering Spleen After RY Gastric Bypass Causing Obstruction of the Roux Limb*  
Ziad Fayad MD, Ryan Hashe, MD, Piotr Gorecki, MD  
SAGES Annual Congress - National Harbor, MD April 2010
53. *Laparoscopic Adrenalectomy for Bilateral Metachronous Aldosteronomas. A Case Report and Review of the Literature*  
Piotr Gorecki MD, Philippe Rizek MS, Aristid Lindenmayer MD, Sabita Moktan MD  
SAGES Annual Congress - National Harbor, MD, April 2010
54. *Endoscopic Prevalence of Helicobacter Pylori Infection in 611 Patients Undergoing Bariatric Surgery*  
Sharma B Desh MD, Piotr J Gorecki MD, Khurana R MD, Eric Frey MD, Won Sohn, MD  
SAGES Annual Congress – San Antonio, TX, April 2011
55. *Faith of Scheduled but Cancelled Bariatric Surgery Cases. What Happened And Where Did They Go?*  
Piotr J Goreck, M, Lindsay Bartholome MD, Srikanth Eathiraju MD, Leslie Wise, MD  
SAGES Annual Congress – San Antonio, TX, April 2011

56. *Risk factors for Marginal Ulcers Following Laparoscopic Gastric Bypass*  
Piotr Gorecki MD, Gopi K Maharaja MA, Anthony Tortolani MD, Won Sohn MD  
New York Surgical Society, New York, NY April 2011
  
57. *Marginal Ulcers Following Laparoscopic Gastric Bypass: A Detailed Analysis Of 613 Consecutive Patients.*  
Piotr Gorecki MD, Gopi K Maharaja MA, Ziad Fayad MD, Anthony Tortolani MD, Won Sohn MD  
ASMBS Annual Congress – Orlando, FL, June 2011
  
58. *Concurrent Prophylactic Placement of Inferior Vena CavaFilter (CPPOIVCF) in gastric bypass (GB) and adjustable banding (AB) operations: An analysis of the Bariatric Outcomes Longitudinal Database (BOLD)*  
Wei Li, M.D., M.P.H., Piotr Gorecki, M.D., Robert Autin, M.D., William Briggs, Ph.D., Elie Semaan, M.D., Marcus D'Ayala, M.D.  
Eastern Vascular Society, Annual Meeting - September, 2011, Washington, DC
  
59. *Factors affecting patient disposition after Laparoscopic Adjustable Gastric Banding (LAGB): An analysis of the Bariatric Outcomes Longitudinal Database (BOLD)*  
Wei Li, M.D., M.P.H., Piotr Gorecki, M.D., Vadamalayan Sivalingam, M.D., Ziad Fayad, M.D., Josue Chery, M.D., William Briggs, Ph.D., Leslie Wise, M.D.  
American College of Surgeons 97th Annual Clinical Congress, 2011, San Francisco, CA
  
60. *Factors affecting patient disposition after ambulatory laparoscopic cholecystectomy (ALC): -analysis of the National Survey of Ambulatory Surgery (NSAS)*  
Wei Li, M.D., M.P.H., Daniel Jo, B.A., James Rucinski, M.D., Syed Gardezi, M.D, Piotr Gorecki, M.D., Bashir Fahoum, M.D., Ph.D., Leslie Wise, M.D.  
American College of Surgeons 96th Annual Clinical Congress, Washington DC, October 2010
  
61. *Laparoscopic Gastric Bypass in Adolescents: A Prospective Analysis of Dynamic of Weight Loss.*  
Piotr Gorecki MD, Alok Agarwal MD, Elizabeth Lax MD, Anthony Tortolani MD, Wojciech Gorecki, MD  
SAGES Annual Congress – San Diego, CA, March 2012
  
62. *The optimal technique of gastrojejunostomy in laparoscopic gastric bypass may be a hand sewn anastomosis. Comparison of outcomes and costs.*  
Piotr Gorecki, MD, Krystyna Kabata PA, Srikanth Eathiraju, MD, Suraj Parekh MD, Anthony Tortolani, MD  
SAGES Annual Congress – San Diego, CA, March 2012
  
63. *Morbidly Obese Men Showed Decreased Testosterone Levels and Sexual Quality of Life Compared with Age Adjusted Men in the Community.*  
Taehee Kwak, MD, Homayoun Pournik, MD, Krystyna Kabata, RPAC, Anthony Tortolani, MD, Piotr Gorecki, MD.  
SAGES Annual Congress – San Diego, CA, March 2012
  
64. *Bariatric Surgery Increases Testosterone and Improves Male Sexual Function. A Pilot Study of Thirteen Morbidly Obese Men.*  
Taehee Kwak, MD, Homayoun Pournik, MD, Krystyna Kabata, RPAC, Anthony Tortolani, MD, Piotr Gorecki, MD  
SAGES Annual Congress – San Diego, CA, March 2012

65. *Gastrojejunostomy in laparoscopic gastric bypass. Comparison of outcomes and costs of different techniques and potential implications for robotic assistance.*  
Piotr Gorecki, MD, Krystyna Kabata PA, Donald Risucci PhD, Suraj Parekh, MD, Anthony Tortolani, MD  
New York Surgical Society, New York, NY, Nov 2012
66. *Malignant Hyperthermia during Laparoscopic Adjustable Gastric Banding. A Case Report.* Josue Chery, MD, Chiba Shintaro MD, Ambibola Pratt, MD, , Ronell Kirkley, DNP/CRNA, Barbara Hearne, RN, Andrew Beyzman, MD, Piotr Gorecki, MD  
SAGES Annual Congress – San Diego, CA, March 2012
67. *Controversies in Bariatric Surgery for Pediatric Patients*  
Annual Symposium of Southern Section of Polish Pediatric Surgery Society  
Bormio, Italy, March 2013
68. *Emergent Laparoscopic Sleeve Gastrectomy as a treatment Modality For Gastric Necrosis Secondary to Prolapse of the Gastric Band*  
Minal Joshi MD, Srikanth Eathiraju MD, Krystyna Kabata PA, Piotr Gorecki, MD  
SAGES Annual Congress – Baltimore, MD, April, 2013
69. *Acute appendicitis in the setting of laparoscopic adjustable gastric banding: A case report and literature review*  
Josue Chery, MD, Amy Maselli, MD, Krystyna Kabata, PA, Anthony Tortolani, MD, Piotr Gorecki, MD  
SAGES Annual Congress – Salt Lake City, April, 2014
70. *Multiple port site metastasis after laparoscopic gastrectomy for cancer: A case report and literature review*  
Amani Jambhekar, MD, Josue Chery, MD, Piotr Gorecki, MD  
SAGES Annual Congress – Salt Lake City, April, 2014
71. *Intra-abdominal partitioning of the laparoscopic sleeve gastrectomy remnant optimizes the specimen extraction ergonomics and postoperative pain and is an attractive technique in teenage patients.*  
Piotr Gorecki MD, Josue Chery MD, Jennifer Lee MD, Anthony Tortolani MD, Wojciech Gorecki MD  
P066, p244-245  
IPEG Annual Congress for Endosurgery in Children, Edinburgh, UK, July 2014
72. *A novel technique of the 15-mm blunt trocar site closure in morbidly obese patients undergoing laparoscopic sleeve gastrectomy.*  
Piotr Gorecki, MD, Obaida Batal, MD, Anthony Tortolani, MD  
SAGES Annual Congress presentation – Nashville, TN, April 2015
73. *Readmission rates following laparoscopic sleeve gastrectomy: Detailed analysis of 343 consecutive patients.*  
Piotr Gorecki, MD, Amani Jambhekar, MD, Donald A. Risucci, PhD, Krystyna Kabata, PA, Anthony J. Tortolani MD,  
SAGES Annual Congress presentation – Nashville, TN, April 2015
74. *Contrast radiograms following laparoscopic gastric bypass and sleeve gastrectomy. How to approach it?*  
Piotr Gorecki MD, Amani Jambhekar MD, Krystyna Kabata PA, Ryan Lindborg MD  
New York Surgical Society, New York, NY, November 2015
75. *Value of routine contrast radiograms following laparoscopic gastric bypass and sleeve gastrectomy.*  
Piotr Gorecki MD, Amani Jambhekar MD, Ryan Lindborg MD, Anthony Tortolani, MD  
Obesity Week Annual Congress - Los Angeles, CA, Nov 2015

76. *Effect of Roux-Y Gastric Bypass Induced Weight Loss on the Dynamic of C - reactive protein Levels: A Prospective Analysis with a Long Term Follow Up.*  
Piotr Gorecki MD, Kendra Black MA, MS, Krystyna Kabata PA, Anthony Tortolani MD  
SAGES Annual Congress presentation – Boston MA, April 2016
77. *Laparoscopic Roux-en-Y Gastric Bypass: Long term results with at least 10-year follow up.*  
Piotr Gorecki, MD, Obaida Batal, MD, Krystyna Kabata, PA, Christine Najjar, MS, Anthony Tortolani, MD  
SAGES Annual Congress presentation – Boston MA, April 2016
78. *Long-term analysis of Risk for Anemia in Laparoscopic Roux-en-Y Gastric Bypass Patients with at Least 5-year Follow Up*  
Piotr Gorecki MD, Christine Najjar MS, Krystyna Kabata PA, Anthony Tortolani MD  
SAGES Annual Congress presentation – Boston MA, April 2016
79. *Structured Early Ambulation Protocols and Post-Operative Pain Following Laparoscopic Sleeve Gastrectomy – Is There a Relationship?*  
Brian Housman, M.D., Prasanthi Sunkesula, M.D., Krystyna Kabata, PA, Anthony Tortolani M.D., Piotr Gorecki, M.D.  
SAGES Annual Congress presentation – Boston MA, April 2016
80. *Laparoscopic sleeve gastrectomy as a preferred resection modality for gastric gastrointestinal stromal tumors (GIST): technical note and a case report of multifocal gastric GISTs*  
Tianming Liu, MD MPH, Piotr J. Gorecki, MD  
SAGES Annual Meeting – Houston, TX March 217
81. *Strangulated Internal Herniation with Bowel Ischemia Following Abdominoplasty: A Case Series and Review of the Literature*  
Amy Maselli MD, Amani Jambhekar MD, Kevin Chao MD, Richard Reish MD, Piotr Gorecki, MD  
SAGES Annual Meeting – Houston, TX March 217
82. *Demographics and socioeconomic status as predictors of weight loss after laparoscopic sleeve gastrectomy*  
Amani Jambhekar, MD, Amy Maselli, MD, Shawn Robinson MD, Krystyna Kabata, PA, Piotr Gorecki, MD  
SAGES Annual Meeting – Houston, TX March 217
83. *Bariatric Surgery with Zero Perioperative Mortality in a Teaching Institution*  
Piotr Gorecki M.D., James Nguyen M.D., Krystyna Kabata P.A., Michael E. Zenilman M.D.  
SAGES Annual Meeting – Seattle WA, April 2018

#### **Video Presentations:**

1. *Laparoscopic ventral hernia repair in morbidly obese after open Roux en-Y-Gastric bypass*  
Gorecki P, LDG Angus  
*International Federation for Surgery of Obesity –Chania Crete September 2001*

2. *Laparoscopic Heller myotomy with Toupet fundoplication with all 5 mm ports.*  
Gorecki P  
*European Society of Surgery - Krakow Poland, December 2000*
3. *Crucial Steps in Laparoscopic Nissen Fundoplication.*  
Gorecki P, Hinder RA  
*World Congress of Endoscopic Surgery - Singapore, June 2000*
4. *Laparoscopic sleeve gastrectomy as a preferred resection modality for gastric gastrointestinal stromal tumors (GIST): technical note and a case report of multifocal gastric GISTs*  
Piotr J. Gorecki, MD, Tianming Liu, MD MPH  
*SAGES Annual Meeting – Houston, TX March 2017*
